GNUINE PRODUCT CERTIFICATION

This is to certify that Smart Hotel Series Including MIL, Insignia, G-plater, Flash and Simple Hotel series as listed in our Pricelist are all Genuine SMARTBUS products that are produced by our factory

Moreover, All Products with Code Starting with SB-xxxx & SBW-xxxx Are all SMARTBUS enabled products that are genuine and manufactured in Smart Industry Group factories.

SMART-GROUP has issued Original Product Guide Distinguishers Manual to help to identify original genuine products from copies that might be produced by other brands or manufacturers. The manual can be downloaded from:

<http://smarthomebus.com/dealers/Original%20Product%20Marking%20Guide%20V.1.0.pdf>

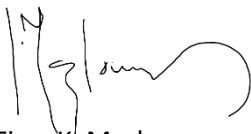

SMART-GROUP has its own full Labs and R&D facilities, its own Tooling industry, its own Injection industry, its own Robotic Mounting industry, its own Assembly lines, Packing lines, Aging lines ...

All SMARTBUS Products go under 10 Levels of QC, SPC, AQC, FQC, with strict QA

All SMARTBUS Installation Partners must acquire training certificate that is valid for 1 Year and is always renewed periodically to assure update and ability of partner staff.

All SMARTBUS enabled products produced by SMART GROUP are licensed and certified by Testing Labs for conformity with safety, emissions, and other regulations as required by many countries like CE, FCC, EMC, IEC, ROHS, SABS, POCT or other based on project needs like CSA etc.

On the above we Certify,

Firas K. Mazloum

CEO – SMART GROUP
